

**FORMER GREEN PARTY LEADER TO
PRESENT “AN INCONVENIENT TRUTH”
AT LAURA SECORD**

On Friday, April 20, 2007, in celebration of **Earth Day**, Laura Secord Secondary School welcomes former Green Party of Canada leader **Jim Harris**. Mr. Harris is one of only 20 Canadians certified to present this slide show based on the Oscar-winning documentary “**An Inconvenient Truth**”.

Jim Harris is an award-winning author, whose most recent book, *Blindsided.*, has been published in 80 countries. This # 1 bestseller held the Financial Times of London’s top position in the business books category. Since resigning as leader of Canada’s Green Party, Mr. Harris has been the Managing Partner for Cleantech Advisors LLC™. Cleantech Advisors™ help investors, government agencies and corporations reach their cleantech goals by leveraging the unique knowledge in the Cleantech Group™ and the considerable assets of the members of the Cleantech Venture Network®. Mr. Harris earned his BA at Queen’s University, has lived and worked in Europe, Australia and Canada, and currently resides in Toronto with his wife Lee-Anne.

“**An Inconvenient Truth**” has been raising awareness of the most important scientific and technical issue of our time: climate change. Al Gore has been nominated for the Nobel Peace Prize for his work in this field, and renowned film critic Roger Ebert has said “you owe it to yourself to see this film” .

Mr. Harris will be visiting Laura Secord Secondary School for a presentation of this important slide show from 10:30AM to 12:00 noon. He will have time following the presentation to take questions from Laura Secord’s students, as well as from the media.

We invite all members of the media out to this very important event..
