## **Fort Erie Secondary School takes the Cake winning Gold and Bronze**

Students from the District School Board of Niagara entered the Niagara Invitational High School Cook-Off last week. This annual Cook-Off, which is held at Niagara College, host teams from across southern Ontario in Culinary and Baking Competitions.

Jocelyn Bradley, a student at Fort Erie Secondary School, won a gold medal for her baking skills ( the third gold medal she has won). She won gold last year at the DSBN Technology Skills Challenges as well as at the Skills Canada – Ontario Competition and was the DSBN Baking representative for Team Ontario at the 2006 National Skills Competitions in Halifax. Melissa Janzen, also of Fort Erie Secondary School, brought home the bronze medal. Great result for Fort Erie Secondary School.

“We are extremely proud of DSBN students like Jocelyn and Melissa who represent their school and community so well in these competitions. They are excellent representatives of the technology courses offered throughout our Board” , said Kevin Graham, Technology Consultant for the District School Board of Niagara. The DSBN offers a wide range of Technology Courses - Skills for Life - which are attracting students from across the region and interest from other boards in the province.
