Governor Simcoe raises over \$15,000.00 for the Steven Lewis Foundation

On Tuesday June 5, 2007, a representative from the Steven Lewis Foundation was at Governor Simcoe Secondary School for a cheque presentation. The students of Simcoe held their first "Walk Away From AIDS", in support of the Foundation and by doing so raised \$15,116.81 for this worthy cause.

"After hearing Steven Lewis speak in the fall of 2006, the school decided that they needed to help in some way", explained Rick Karr, Principal. The students agreed on holding a walk, which took place on June 1, 2007. "We are looking forward to hosting the 2nd Annual - Walk Away from AIDS, next year and our goal is \$20,000.00 and with the amazing support we have from staff and students I know this is a feasible goal."
