

Online Registration Guide

For international students **NEW** to the DSBN for academic study

You are welcome to begin the online registration process before you arrive in Canada. To start, you **must have a confirmed living address in the Niagara Region which will be used to determine your school placement. This address should not change in September/February.**

To register online, you will sign up for a DSBN Parent/Guardian account in our secure Aspen Student Information System. (This online registration account is separate from the TrueNorth account used for online application.)

The online DSBN Parent/Guardian account is meant to be created by a Parent/Guardian and cannot be registered under the name of an agent. A valid e-mail address is required to verify your identity when requesting an account.

Please follow the instructions below for online registration. We recommend using a home computer (not a tablet or phone) and opening the link with a Chrome or Edge browser.

Please **inform our office** by emailing international@dsbn.org as soon as you have submitted your online registration.

Checklist of Documents for Registration

The following required documents **must be uploaded** to complete your online registration:

- Proof of the student's living/homestay address** in the Niagara Region. Acceptable documents include:
 - Homestay agreement/contract
 - Lease agreement, for example, a parent will be accompanying a student and rent a place to live
 - If the student lives with a relative/family friend, the local connection can write a simple note indicating that the student will be staying with them at what address, and then provide a bill (utility, property tax, land phone, internet, etc..) showing the local connection's name and address
- Student's **passport ID page**
- Student's **passport visa page or eTA**
- Student's **Birth Certificate or Birth Registration** showing the parents' names
- Notarized Custodianship Declaration Forms (both pages 1 and 2)** for all students under 18 years of age (if parents are not in Canada)
 - the **first page** needs to be **signed by the Canadian custodian and notarized** (certified by a lawyer or notary) in Canada
 - the **second page** needs to be **signed by the parents** or legal guardians of the minor child and **notarized** in their home country

*If a parent will be accompanying the student in Canada for the entire study period, the parent's passport ID page and visa (if applicable) are required instead of custodial documents.

- Letter of Acceptance** from DSBN
- For secondary students only, Updated **Official Transcript/School Record** (if applicable)
- Proof of Healthcare Insurance** effective for the period of study in Canada (for those who submitted an application before StudyInsured was launched)

The following two documents will be obtained at the immigration of the airport upon arrival. After you arrive in the Niagara Region, you can email these two documents to international@dsbn.org if you have previously submitted your online registration.

- Valid Study Permit (actual study permit** that you obtained at the immigration office in the airport upon your arrival, not the approval letter) - for a study period longer than 6 months
- Passport page with Canadian customs arrival date stamp** (or flight boarding pass or ticket if there is no stamp)

Note: Parent/custodian must **report the student's immunization records directly to the Niagara Public Health** online: <https://www.niagararegion.ca/health/vaccinations/reporting.aspx>
