Intermediate Groupings:

· For both Volleyball and Basketball there will be 4 divisions. These divisions will be based on the Intermediate population within each school. For Volleyball the population as of Sept. 30th will be used while for Basketball the Dec.. 30th figures will be used.

· The schools containing Intermediate students will be ranked from 1 to ?? in Intermediate population From the population figures the highest 1/4 in Volleyball and basketball will be considered Flight A. The next quarter will be considered Flight B The 3rd quarter will be considered Flight C with the lowest quarter considered as flight D. After entry applications are received these divisions may be slightly adjusted to make sure the divisions have the minimum needed to operate the tournament. The number of teams entered in each division will also determine if pre games are needed. In Basketball we can allow a maximum of 10 teams to enter while in Volleyball 12 teams can be accommodated.
